To my spirit family:

Blessings to each of you as we traverse through the Lion's Gate. I know how each of you are supporting the new paradigm in both your work (service) and your personal lives. Even though some things look challenging, this is the time to walk the talk, for you are creating the new world by returning it to love through your Twin Flame Heart Wombs!

On another note, many of you have been asking when I would release the Twin Flame discourse and meditation cd. It is now available on my site: <http://www.angelinaheart.com>.

Also, a little reminder for those of you who wish to listen in to the next few radio programs, the details follow below. The first one listed will be tomorrow night (Tuesday). For those of you who are joining in---I always appreciate your loving energetic support!

Blessings – Angel-in-a-Heart
